Welcome

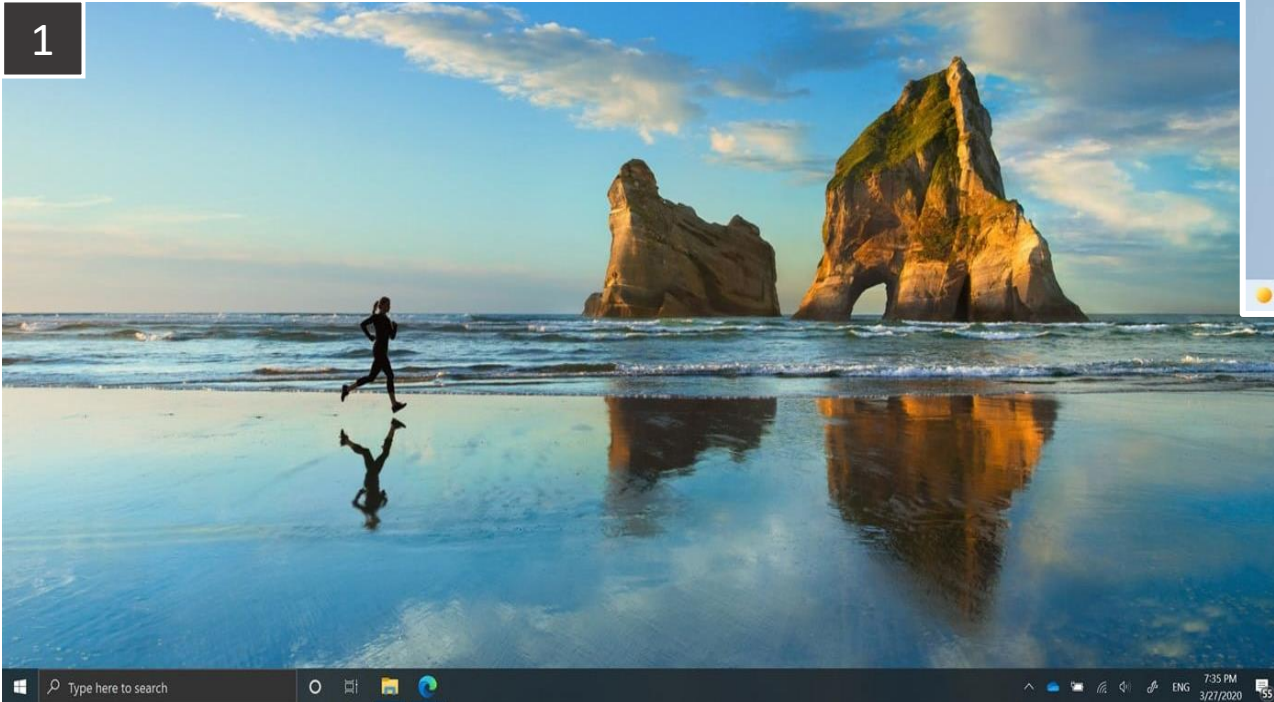

Upgrading from Windows 10 to Windows 11

Imbergamo Anthony

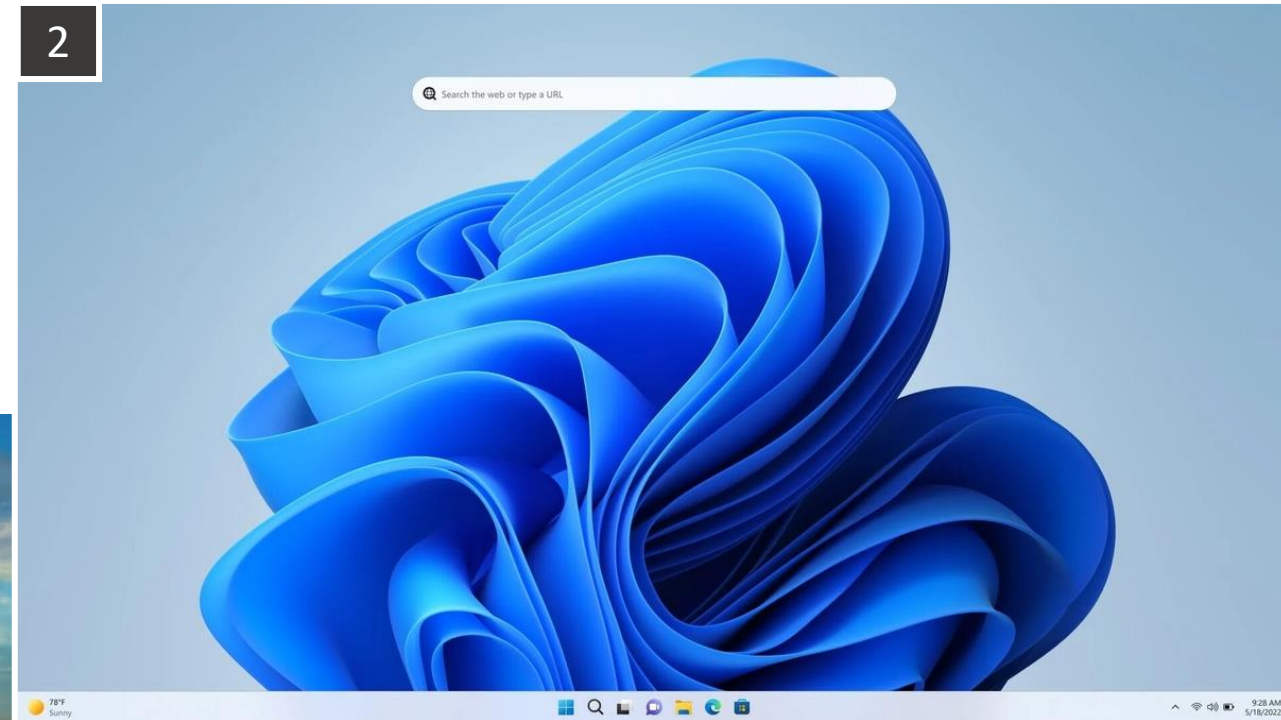

1.Windows 10

- Start menu on the left.
- Classic taskbar.

1

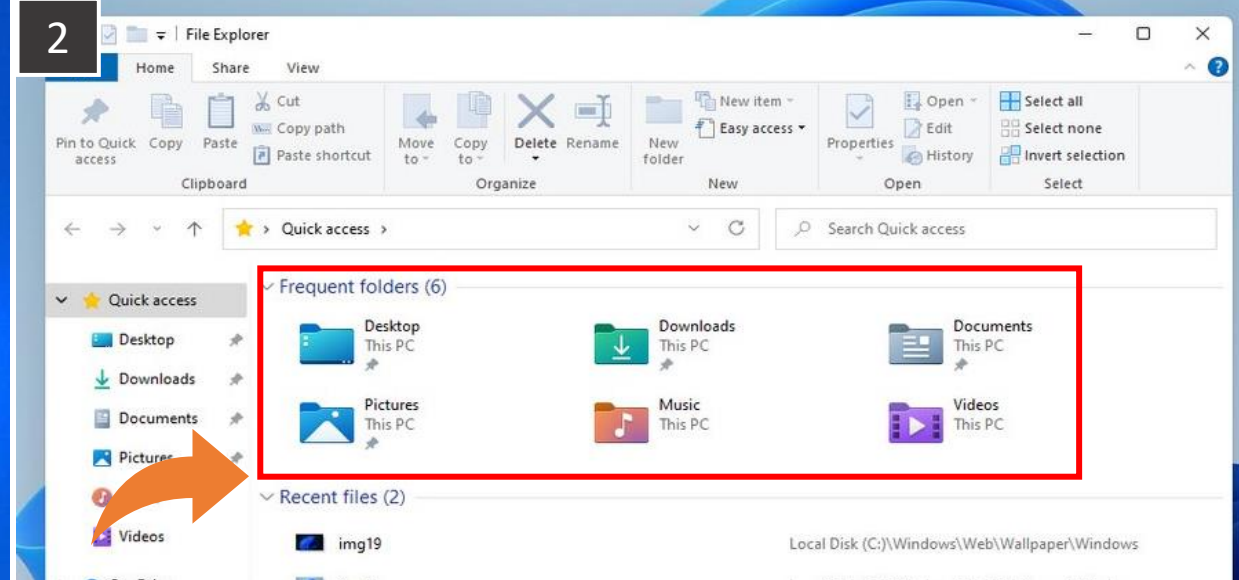

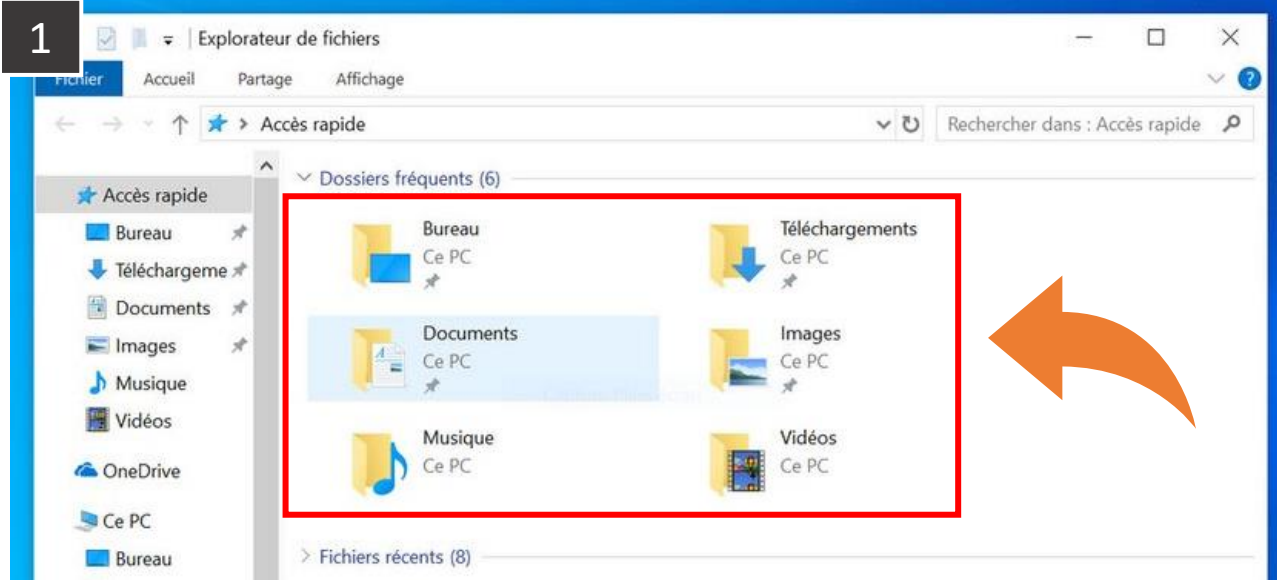

2

2.Windows 11

- Start menu centered (can be moved back to the left)
- More minimalist interface.
- Live Tiles removed.

1.Windows 10

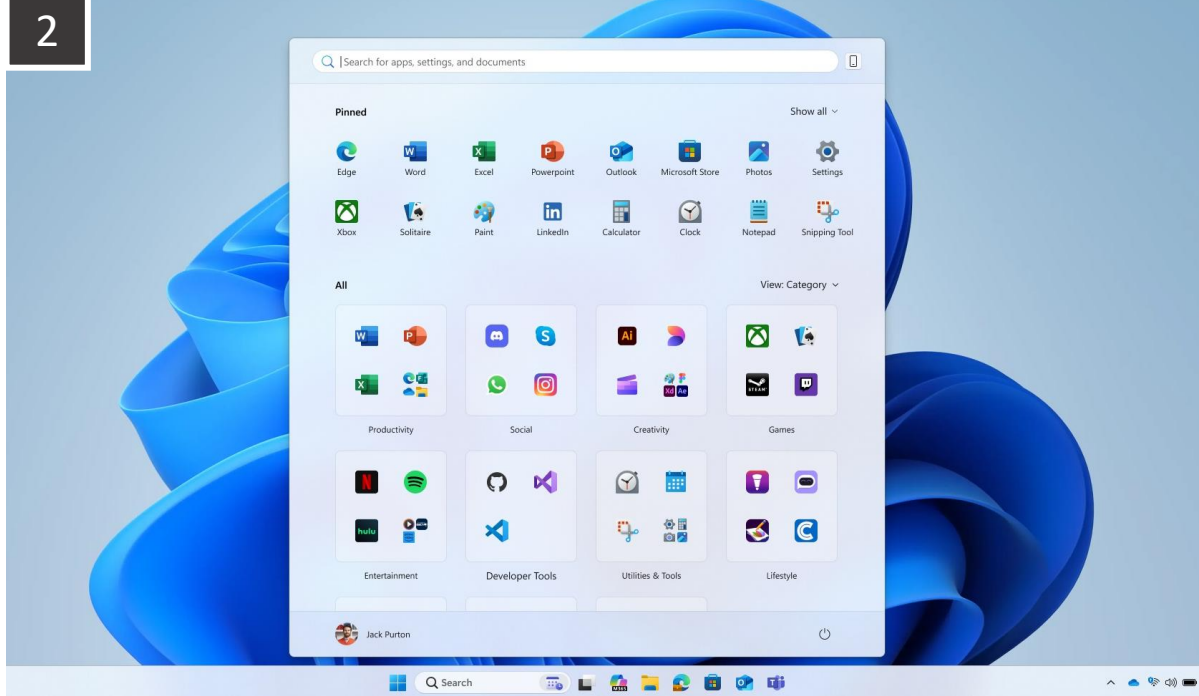

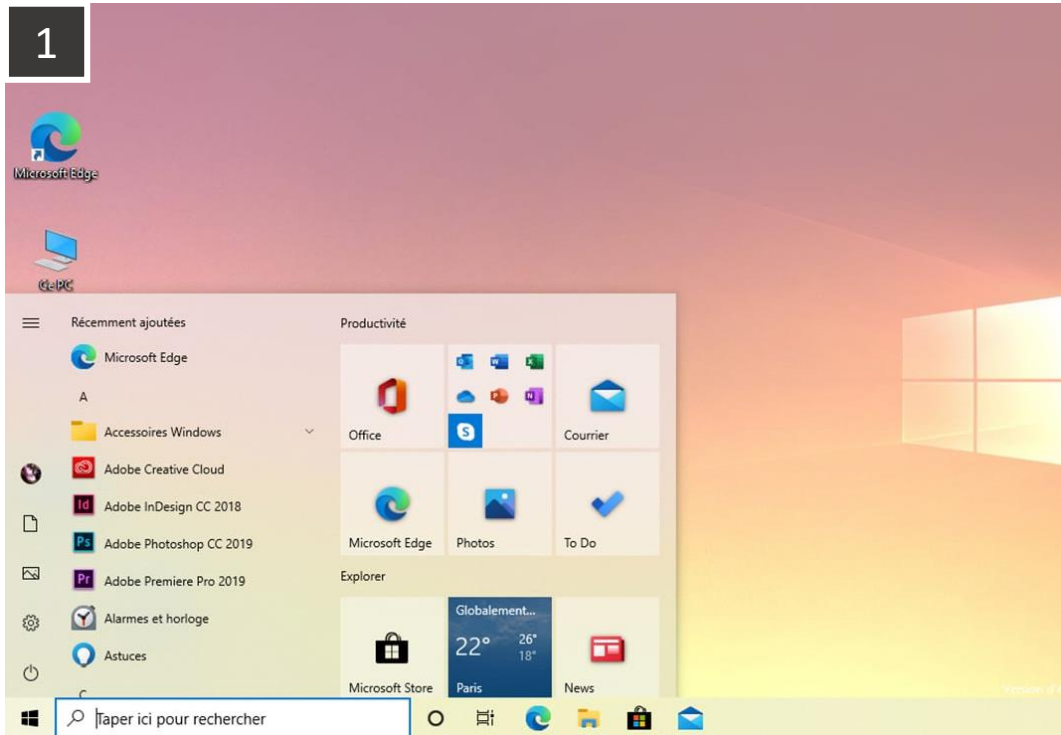

- Unrounded corners
- Frequent folders with old logo

2.Windows 11

- All elements have rounded corners and a transparent effect (Mica).
- More modern, fluid look.
- Simplified interface.New colored folder icons.
- More compact toolbar.

1.Windows 10

- Menu divided into two zones:
- Left column: list of applications.
- Search bar in taskbar or Start menu.

2.Windows 11

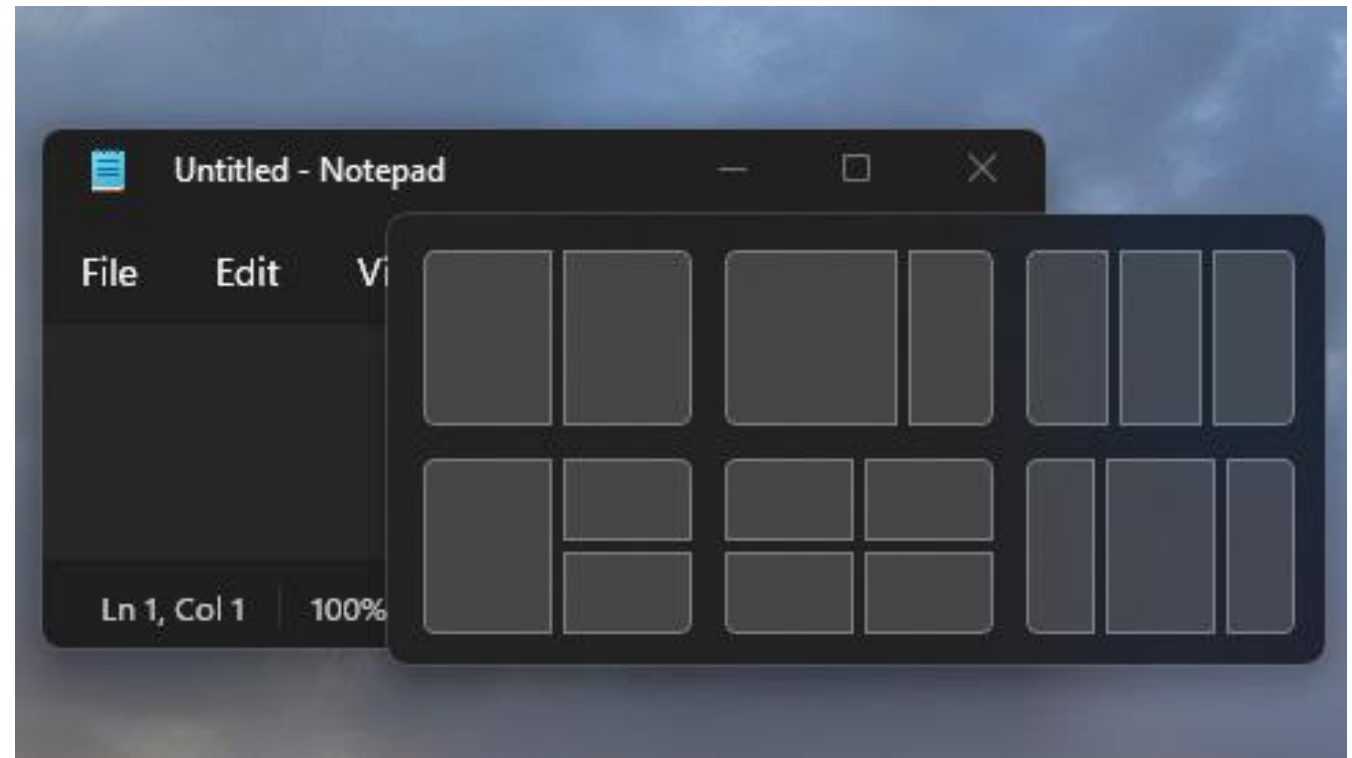

- Menu in two sections only: Pinned apps (fixed icons).
- Recommendations (recently used documents or apps).
- Integrated search bar directly at the top of the menu.
- Search directly in the Start menu.
- Faster and more minimalist.

Windows 10

- Adjust" function by dragging windows

Windows 11

- New Snap Layouts feature:
- Appears when you hover over the enlarge button.
- Allows predefined layouts...
